Certified IT Infrastructure & Cyber SOC Analyst

Saddam Hussain

Cyber Security Analyst @ WAHY LAB SOLUTIONS
Trivandrum, Kerala, India

Experience

WAHY LAB SOLUTIONS
Cyber Security Analyst
August 2025 - Present (1 year 3 months)
Kochi, Kerala, India

• Conducted Vulnerability Assessment and Penetration Testing (VAPT) on web applications, APIs, networks, and systems to identify security vulnerabilities.
• Utilized industry-standard tools such as Burp Suite, Nmap, Nessus, OWASP ZAP, and Kali Linux for comprehensive security testing.
• Identified critical OWASP Top 10 vulnerabilities and provided detailed VAPT reports with risk ratings and remediation recommendations.

Prodigy InfoTech
Cyber Security Intern
October 2024 - November 2024 (2 months)
Maharashtra, India

• Developed a Caesar Cipher encryption and decryption tool to enhance understanding of cryptographic techniques.
• Implemented an image encryption and decryption tool utilizing pixel manipulation technology for secure data handling.
• Created a simple keylogger and designed a password complexity checker to improve security measures.
• Engineered a network packet analyzer tool, gaining practical experience in cybersecurity at Prodigy InfoTech.

RedTeam Hacker Academy
Cyber Security Analyst
October 2024 - October 2024 (1 month)
Thiruvananthapuram, Kerala, India

• Developed a strong foundation in cybersecurity concepts, focusing on network security and ethical hacking.
• Conducted penetration testing to identify vulnerabilities and enhance security measures.
• Acquired in-depth knowledge of network protocols and data protection techniques.

RRD

Senior Process Associate

August 2018 - August 2024 (6 years 1 month)

Thiruvananthapuram, Kerala, India

• Conducted judgment-based data capturing and analysis for the mortgage, travel & leisure, and retail industries in the U.S. and Canada.
• Provided key market research and actionable data insights to clients, enabling informed strategic business decisions.
• Improved operational efficiencies through thorough analysis, enhancing client performance in competitive markets.

Adecco

9 months

Technical Support Executive

May 2018 - August 2018 (4 months)

Thiruvananthapuram, Kerala, India

I excelled in providing technical support at Adecco, ensuring users received timely assistance with their hardware and software issues.

• Diagnosed and resolved technical problems using advanced troubleshooting techniques and remote tools.
• Maintained high levels of user satisfaction by ensuring the smooth operation of systems and applications.
• Developed strong problem-solving skills and technical knowledge in a fast-paced support environment.

Document Specialist

December 2017 - May 2018 (6 months)

Trivandrum, Kerala, India

Created and reviewed financial documents to ensure compliance with SEBI regulations, specifically tailored for U.S. citizens.
